HandyGraph Site License Terms and Conditions

Upon completion and payment of this purchase, Del Rey Inc. grants licensee the following rights:

- i. You may install and use the Software on all computers owned by your institution AND located at the place designated on this order form (eg. department, campus, middle school). The Software may be used on these computers by employees, contractors, and students of your institution.
- ii. You may disclose license keys only to employees authorized to engage in the installation and support of the Software. You may not disclose license information to employees or students for personal or home use.

Licensee warrants that:

- i. The institution type selected on the order form is accurate. K-12 schools warrant that the number of teachers indicated on order form is the total number of full and part time math teachers employed during the current academic year.
- ii. You will use reasonable efforts to restrict access to the software and license keys from anyone who is not authorized to use the software.

Please Note: HandyGraph Software is licensed, not sold, to you by Del Rey for use in accordance with the conditions herein and the terms of the License Agreement. Del Rey owns the title, copyright, and intellectual property rights in the Software, and reserves all rights not expressly granted in the License Agreement.
